Dear parents these are the 14 'red words' that your child will need to be able to read as they work through the next two levels of the Read Write Inc reading scheme. The term 'Red Words' refers to the words in the books that they need to be able to read on sight as they are not phonetically decodable.

Once your child is able to read all these words on sight and out of sequence then please let us know and we will give you the next set.
